Reference Number(s) of Documents Assigned or Released: N/A

EXCISE TAX EXEMPT NOV 1 9 2015
THIS UTILITY EASEMENT AND AGREEMENT (this "Agreement") is made this ___ day of __________, 2015, by and between VWA - BAINBRIDGE ISLAND, LLC, an Ohio limited liability company ("Grantor") and the City of Bainbridge Island, Washington, a municipal corporation ("Grantee"). The parties agree as follows:

1. **Grantor's Real Property.** Grantor is the fee owner of the real property which is legally described on Exhibit A, attached hereto and incorporated herein ("Grantor's Real Property").

2. **Utilities Facilities.** Grantor has installed certain underground water and sanitary sewer utilities facilities (collectively, the "Utilities Facilities") under, through and across that portion of Grantor's Real Property which is legally described on Exhibit B and shown on Exhibit D, attached hereto and incorporated herein (the "Utilities Facilities Area").

3. **Grant of Access and Maintenance Easement.** Grantor, for valuable consideration, the receipt of which is hereby acknowledged, conveys and warrants to Grantee, its successors and assigns, a perpetual, non-exclusive access and maintenance easement ("Maintenance Easement") under, over, through and across the portion of Grantor's Real Property which is legally described on Exhibit C and shown on Exhibit D, attached hereto and incorporated herein ("Maintenance Easement Area") for purposes of permitting Grantee access to the Utilities Facilities Area in order to perform all required maintenance, repairs, and/or replacements of the Utilities Facilities.

4. **Grantee Obligations.** Grantee, at its expense, shall perform all required maintenance, repairs, and/or replacements of the Utilities Facilities, which work shall be performed upon written notice thereof by Grantor (and/or by the owner of any portion of Grantor's Real Property) to Grantee, and without any unreasonable interference with the use or business operations then being conducted on Grantor's Real Property. The Grantee shall satisfy all costs associated with operating, maintaining, removing, repairing, replacing and using the Utilities Facilities.

5. **Access.** Grantee shall have the right, without prior institution of any suit or proceeding at law, to enter upon the Maintenance Easement Area as necessary for maintaining, removing, repairing, or replacing the Utilities Facilities.

6. **Restoration.** If the Utilities Facilities Area, the Maintenance Easement Area, or any other portion of Grantor's Real Property is disturbed by the exercise by Grantee of any rights provided herein, Grantee shall restore the same as nearly as possible to the condition in which it existed prior to the exercise of such rights by Grantee.

7. **Reservation of Rights.** All right, title and interest, which may be used and enjoyed without unreasonably interfering with the Maintenance Easement, are reserved to Grantor. The construction, installation, maintenance or repair, after the date of this Agreement, of above-ground structures of a permanent nature, which interfere with the Maintenance Easement, shall be deemed an encroachment upon Grantee's easement rights, and Grantor shall be obligated to remove the encroachments at Grantor's expense.
8. **Protection of Utilities Facilities.** Grantor covenants that no digging, tunneling or other form of construction activity shall be done on Grantor's Real Property, the Utilities Facilities Area or the Maintenance Easement Area that would disturb, damage, unearth, or undermine the Utilities Facilities, or endanger the lateral support to the Utilities Facilities.

9. **Indemnity.** By accepting and recording this Agreement, Grantee agrees to indemnify and hold harmless Grantor from any and all claims for injuries or damages suffered by any person or property which may be caused by the Grantee's exercise of the rights granted herein; provided, that Grantee shall not be responsible to Grantor for any injuries or damages suffered by any person or property caused by acts or omissions of Grantor or its agents.

10. **Relocation.** Grantor shall have the right to relocate the Utilities Facilities, the Utilities Facilities Area, and the Maintenance Easement Area upon notice to and written approval by Grantee. Prior to any construction for relocation, Grantor shall submit relocation plans to Grantee for Grantee's approval and such approval shall not be unreasonably denied or delayed. If Grantee fails to respond within thirty (30) days from Grantor's submission of relocation plans, such relocation plans shall be deemed approved by Grantee and any objection thereto shall be waived. Upon any such relocation, the Utilities Facilities, the Utilities Facilities Area, the Maintenance Easement Area and the Maintenance Easement shall be deemed modified accordingly.

11. **Binding Effect.** This Agreement and the rights and obligations under this Agreement are intended to and shall run with the land and shall benefit and bind the parties and their respective successors and assigns.

12. **Good Title.** Grantor warrants that it has good title to Grantor's Real Property and warrants Grantee title to, and quiet enjoyment of, the Maintenance Easement conveyed in this Agreement.

13. **Complete Agreement.** This Agreement represents the complete agreement of the parties regarding the matters described herein. There are no other verbal or written agreements regarding the easement rights and obligations set forth herein, except as contained in this Agreement. This Agreement may only be modified by a written document signed by the parties.

14. **Authority.** Each party signing this Agreement, if on behalf of an entity, represents that they have full authority to sign this Agreement on behalf of such entity.

15. **Attorneys' Fees.** If either party brings any suit or other proceeding arising out of or in connection with this Agreement, the prevailing party (as determined by the court or other authority before which such suit or proceeding is commenced) shall, in addition to such other relief as may be awarded, be entitled to recover reasonable attorneys' fees and costs.

16. **Grantee Obligations.** For purposes of all obligations of Grantee under this Agreement, "Grantee" shall be deemed to include all tenants or occupants of Grantor's Real Property (including without limitation, each of Key Bank National Association (and its successors and assigns), and Walgreen Co. THIS RECIPROCAL EASEMENT AGREEMENT (the "Agreement") is made and entered into this ___ day of __________, 2014, by and between LAWRENCE P. KNUDSEN and KAYE E. KNUDSEN, husband and wife and CATHERINE LYNN CLAYTON, Trustee of the Catherine Lynn Clayton Revocable Trust dated January 11, 1993, as Tenants in Common (the "Parcel A Owner"), and VWA – BAINBRIDGE ISLAND, LLC, an Ohio limited liability company (the "Parcel B Owner").

RECITALS

A. The Parcel A Owner is the owner of that certain real property situated in the City of Bainbridge Island, County of Kitsap, State of Washington, more particularly described on Exhibit "A" attached hereto and incorporated herein by this reference ("Parcel A"). Parcel A is subject to a lease between the Parcel A Owner and ProBuild (defined below).

B. The Parcel B Owner is the owner of that certain real property situated in the City of Bainbridge Island, County of Kitsap, State of Washington, more particularly described on Exhibit "B" attached hereto and incorporated herein by this reference ("Parcel B").

C. The Parcel B Owner intends to develop Parcel B for various medical, retail, and/or other commercial uses.

D. Parcel B is presently subject to, and Parcel A (and/or ProBuild) is benefited by, each of (i) an access drive contained within Parcel B (the "Existing Access Drive"), pursuant to the Warranty Fulfillment Deed recorded on July 13, 1973 in Auditor’s File No. 1066795 of the Kitsap County Recorder’s Office (the "Existing Access Drive Easement"), (ii) an existing sign ("Existing Sign") and gate (the "Existing Gate") contained within Parcel B pursuant to the License Agreement For Sign and Gate dated as of January 14, 1989 and recorded May 12, 1989 in Auditor’s File No. 8905120128 (Reel 498 FR 235) of the Kitsap County Recorder’s Office (the "Existing License Agreement"), and (iii) underground electrical utility lines within Parcel B (the "Existing Electrical Utilities Facilities") pursuant to the Easement for Underground Electric System recorded July 13, 1973 in Auditor’s File No. 1067270 of the Kitsap County Recorder’s Office (the "Existing Electrical Utilities Facilities Easement"). (Each of the existing rights of the Parcel A Owner and/or ProBuild under each of the Existing Access Drive Easement, the Existing License Agreement, and the Existing Electrical Utilities Facilities Easement are collectively referred to herein as the "Existing Parcel A Rights").

E. The parties hereto desire to impose certain easements upon the Parcels, release and terminate all of the Existing Parcel A Rights, and to establish certain
covenants, conditions and restrictions with respect to said Parcels, on the terms and conditions hereinafter set forth.

NOW, THEREFORE, in consideration of the above premises and of the covenants herein contained, the Parcel A Owner and the Parcel B Owner hereby covenant and agree that the Parcels and all present and future owners and occupants of the Parcels shall be and hereby are subject to the terms, covenants, easements, restrictions and conditions hereinafter set forth in this Agreement, so that said Parcels shall be maintained, kept, sold and used in full compliance with and subject to this Agreement and, in connection therewith, the parties hereto on behalf of themselves and their respective successors and assigns covenant and agree as follows:

**AGREEMENTS**

1. **Definitions.** For purposes hereof:

   (a) The term "Owner" or "Owners" shall mean the Parcel A Owner (as to Parcel A) and the Parcel B Owner (as to Parcel B) and any and all successors or assigns of such persons as the owner or owners of fee simple title to all or any portion of the real property covered hereby.

   (b) The term "ProBuild" shall mean ProBuild Company LLC, a Delaware limited liability company.

   (c) The term "Parcel" or "Parcels" shall mean each of Parcel A and/or Parcel B, and any future subdivisions thereof.

   (d) The term "Permittees" shall mean ProBuild and all other tenant(s) or occupant(s) of a Parcel, and the respective employees, agents, contractors, customers, invitees and licensees of (i) the Owner of such Parcel, and/or (ii) ProBuild and such other tenant(s) or occupant(s).

   (e) The term "Site Plan" shall mean that site plan of the Parcels attached hereto as Exhibit "C" and by reference made a part hereof.

   (f) The term "Driveway" shall mean that driveway and related driveway improvements, paving, curbing, entrances and exits to be constructed by the Parcel B Owner in the location as shown on the Site Plan, and which is more particularly described on Exhibit "D" attached hereto.

2. **Easements.**

2.1 **Temporary Access Easement.** In connection with the intended development of Parcel B, the parties acknowledge that the Parcel B Owner shall, at its sole cost and expense, remove the Existing Access Drive; provided, however, that prior to the closure and removal of the Existing Access Drive, the
Parcel B Owner, at its sole cost and expense, shall provide temporary access for Parcel A within Parcel B providing access to and from NE High School Road and Parcel A, which temporary access shall be provided by the Parcel B Owner pursuant to either (i) a temporary access drive connecting the existing access drive within Parcel A to the then-completed portions of the Driveway (the "Temporary Driveway Connection") or (ii) a separate, temporary access drive (the "Temporary Access Drive") within Parcel B. Each of the Temporary Driveway Connection and the Temporary Access Drive shall be in a location and with a configuration as may be mutually acceptable to the Parcel B Owner and the Parcel A Owner. Materials used with respect to the Temporary Driveway Connection or the Temporary Access Drive shall be as may be mutually acceptable to the Parcel B Owner and Parcel A Owner, provided that to the extent necessary in connection with the development by the Parcel B Owner of Parcel B, the Parcel B Owner shall have the right to permit minor portions of the Temporary Access Drive and/or Temporary Driveway Connection to temporarily consist of gravel for a period not to exceed three (3) business days for any portion. The Parcel B Owner shall maintain each of the Temporary Driveway Connection and the Temporary Access Drive at its sole cost and expense.

 Portions of the Temporary Access Drive and/or Temporary Driveway Connection may be temporarily relocated by the Parcel B Owner from time to time in connection with the Parcel B Owner's development of Parcel B, upon the prior written approval of the Parcel A Owner, which approval shall not be unreasonably withheld. Upon the completion by the Parcel B Owner of the Driveway in accordance with Section 2.2, the easement rights granted pursuant to this Section 2.1 shall terminate and be of no further force or effect.

2.2 Driveway Easement.

(a) Upon both (i) the completion by the Parcel B Owner of the Driveway and (ii) the confirmation by the Parcel A Owner of such completion, the Parcel B Owner hereby grants to the Parcel A Owner, and its Permittees, a perpetual and non-exclusive easement over, on, across, and through the area identified as the Driveway on Parcel B for the purpose of reasonable vehicular and pedestrian ingress, egress and access between Parcel A and NE High School Road.

(b) The Driveway shall be used and enjoyed by each Owner and its Permittees in such a manner so as not to interfere with, obstruct or delay the conduct and operations of the business of any other Owner or its Permittees at any time conducted on its Parcel, including, without limitation, public access to and from said business, and the receipt or delivery of merchandise in connection therewith. Notwithstanding any right granted to the Parcel A Owner (and its Permittees) herein to use the Driveway in common with the Parcel B Owner, (i) in no event shall the Parcel A Owner (or any of its Permittees) use the Driveway for any purpose other than for purposes of pedestrian and vehicular ingress and egress, and (ii) the rights reserved to the Parcel A Owner (and its Permittees)
herein to use the Driveway as permitted under this Agreement shall be solely for the benefit of Parcel A, and in no event shall the Parcel A Owner (or any of its Permittees) have the right to grant any other party any rights to use the Driveway.

2.3 Utilities Easements.

(a) In connection with the development of Parcel B, the Parcel B Owner shall, at its sole cost and expense, install and construct within the area described in Exhibit "E" attached hereto and as designated on the Site Plan as the "New Utilities Facilities Easement Area" new underground utilities facilities for purposes of transmission and/or distribution to Parcel A of the following utilities: (i) electricity, (ii) water, (iii) natural gas, (iv) telecommunications, (v) cable, and (vi) sanitary sewer (the "New Utilities Facilities"), and appurtenances thereto, including without limitation, underground conduits, pipelines, cables, communication lines, vaults, manholes, switches, transformers, and such other appurtenances necessary to properly install and construct the New Utilities Facilities. Water and sanitary sewer utilities shall meet capacity and sizing requirements to support future Parcel A potential development, to be confirmed by City of Bainbridge Island. Effective upon the substantial completion by the Parcel B Owner of the New Utilities Facilities, the Parcel B Owner hereby grants to the Parcel A Owner, and its Permittees, a perpetual and non-exclusive easement within the New Utilities Facilities Easement Area for the purposes of the construction, installation, use, maintenance, repair, replacement and removal of the New Utilities Facilities.

(b) During the development of Parcel B and the installation and construction of the New Utilities Facilities, the Parcel B Owner shall regularly advise the Parcel A Owner, and its Permittees, of the progress and development of the New Utilities Facilities. The Parcel B Owner shall not close or remove the Existing Electrical Utilities Facilities until such time that the New Utilities Facilities are complete and operational and Parcel B Owner has received confirmation by the Parcel A Owner of such completion.

2.4 Storm Sewer Easement.

(a) In connection with the development of Parcel B, the Parcel B Owner shall, at its sole cost and expense, (i) relocate, replace, and/or extend the existing storm sewer pipelines presently serving Parcel A and which are presently located upon Parcel B (such relocated, replaced, and/or extended storm sewer lines shall be referred to herein as the "Parcel A Storm Sewer Lines"), and (ii) cause the Parcel A Storm Sewer Lines to be connected to storm sewer lines to be constructed with sufficient capacity by Parcel B Owner within and serving Parcel B (the storm sewer lines to be contained within Parcel B and to which the Parcel A Storm Sewer Lines shall be connected by the Parcel B Owner shall be referred to herein as the "Shared Storm Sewer Lines"). The Parcel A Storm Sewer Lines and the Shared Storm Sewer Lines shall be located
on Parcel B in the areas depicted on the Site Plan. Notwithstanding anything to the contrary contained herein, in no event shall the Parcel A Owner have the right to alter or change the capacity of the Parcel A Storm Sewer Lines without the prior consent of the Parcel B Owner, which shall not be unreasonably withheld, conditioned, or delayed so long as the Parcel B Owner will not incur any additional costs in connection with such alteration or change.

(b) During the development of Parcel B and the installation and construction of the Parcel A Storm Sewer Lines and the Shared Storm Sewer Lines, (i) the Parcel B Owner shall regularly advise the Parcel A Owner, and its Permittees, of the progress and development of the Parcel A Storm Sewer Lines and the Shared Storm Sewer Lines, and (ii) in no event shall storm sewer service to Parcel A be interrupted during the performance of such work.

(c) The Parcel B Owner hereby grants to the Parcel A Owner a temporary non-exclusive easement for the existing Parcel A Storm Sewer Lines in the location in Parcel B of the existing Parcel A Storm Sewer Lines for purposes of using, maintaining, repairing, replacing, and/or removing the existing Parcel A Storm Sewer Lines. This temporary easement shall commence on the date of this Agreement and terminate upon completion by the Parcel B Owner of the Shared Storm Sewer Lines in accordance with Section 2.3(d) below.

(d) Upon the completion by the Parcel B Owner of the relocation, removal, and/or extension of the Parcel A Storm Sewer Lines and the Shared Storm Sewer Lines, and confirmation by the Parcel A Owner of such completion, the Parcel B Owner hereby grants to the Parcel A Owner, and its Permittees, a perpetual non-exclusive easement within the area described on Exhibit "F" attached hereto and as designated as the "Parcel A Storm Sewer Line Easement Area" on the Site Plan for the purposes of using, maintaining, repairing, replacing, and/or removing the Parcel A Storm Sewer Lines.

2.5 Sign Easement.

(a) In connection with the intended development of Parcel B, the Owners acknowledge that the Parcel B Owner shall, at its sole cost and expense, both (i) remove the Existing Sign, and (ii) install a monument sign/pylon sign (the "Monument Sign") for the benefit of both Parcel A and Parcel B. The Parcel B Owner hereby grants to the Parcel A Owner, and its successors and assigns, a perpetual and non-exclusive easement over Parcel B for the installation, operation, maintenance, repair, and/or replacement of one (i) sign panel on the Monument Sign, which sign panel shall be in a position on the Monument Sign as may be approved by the Parcel A Owner and the Parcel B Owner and shall be of a size which is no less than the size of any other panels located on the Monument Sign (the "Parcel A Sign Panel"), provided, however, the Parcel A Sign Panel shall be of a size and at a location on the Monument Sign that is satisfactory to the Parcel A Owner, and provided further that so long as ProBuild is a Permittee of the Parcel A Owner, the Parcel A Sign Panel shall be of a size

5
and at a location on the Monument Sign that is satisfactory to ProBuild. The location of the Monument Sign on Parcel B shall be mutually determined by the Owners. The rights granted to the Parcel A Owner herein shall be in common with any other rights granted by the Parcel B Owner to any other party, and the Parcel B Owner shall have the right to unilaterally execute and record an amendment to this Agreement setting forth the terms and conditions of the grant of any such rights, provided that in no event shall the rights granted herein to the Parcel A Owner be affected without the prior written consent of the Parcel A Owner, which consent may be withheld in its sole discretion.

(b) During the development of Parcel B and the installation and construction of the Monument Sign, the Parcel B Owner shall regularly advise the Parcel A Owner, and its Permittees, of the progress and development of the Monument Sign.

In connection with the Parcel B Owner’s development of Parcel B, the Parcel B Owner shall have the right to remove the Existing Sign and provide a temporary replacement sign, in a location and with a configuration as permitted by applicable law, setting forth the name of ProBuild, upon the prior written approval of the Parcel A Owner.

2.6 Completion Schedule. The Parcel B Owner shall complete the construction, installation, and/or relocation of (a) the Driveway, the New Utilities Facilities, and the Shared Storm Sewer Lines on or before February 28, 2016, and (b) the Monument Sign on or before April 30, 2016.

2.7 Rights in Common. The rights granted to the Parcel A Owner (and its Permittees) herein shall be nonexclusive, and shall be in common with the Parcel B Owner (and its Permittees).

2.8 Release and Termination.

(a) Effective upon all of (i) the substantial completion by the Parcel B Owner of the Driveway to the extent that the Parcel A Owner (and ProBuild) have continuous access between Parcel A and NE High School Road, (ii) the confirmation by the Parcel A Owner of such substantial completion, and (iii) the granting of the required easement under Section 2.2(a), the Parcel A Owner hereby releases and terminates any and all rights, title, and interest of the Parcel A Owner in and to the Existing Access Drive Easement.

(b) Effective upon both (i) the substantial completion by the Parcel B Owner of the New Utilities Facilities and (ii) the confirmation by the Parcel A Owner of such substantial completion, the Parcel A Owner hereby releases and terminates any and all rights, title, and interest of the Parcel A Owner in and to the Existing Electrical Utilities Facilities Easement.
(c) Effective upon both (i) the substantial completion by the Parcel B Owner of the Monument Sign, and (ii) the confirmation by the Parcel A Owner of such substantial completion, the Parcel A Owner hereby releases and terminates any and all rights, title, and interest of the Parcel A Owner in and to the Existing License Agreement.

(d) Upon the release and termination of all of the Existing Parcel A Rights, the Parcel A Owner shall also be deemed to have released and terminated any and all other rights, title, and interest of the Parcel A Owner in and to any and all other agreements, instruments, easements, licenses, or other rights, whether created by agreement or instrument and/or existing pursuant to law or otherwise (whether by prescriptive right, adverse possession, or otherwise), with respect to Parcel B, except for the easements and rights created pursuant to this Agreement.

(e) Within thirty (30) days after request therefor by the Parcel B Owner, the Parcel A Owner shall execute, acknowledge, and deliver any and all additional agreements or instruments as may be reasonably requested by the Parcel B Owner to evidence such release and termination.

2.9 Exercise of Rights. Except in the event of any emergency, the exercise of any rights granted by the Parcel B Owner to the Parcel A Owner under Sections 2.2 – 2.5 may be performed by the Parcel A Owner (and/or its Permittees) only after thirty (30) days advance notice to the Parcel B Owner (and its Permittees) of the intended exercise of such rights (and in the event of an emergency, such rights may be exercised upon giving such advance notice as is reasonably practicable under the circumstances). All such rights shall be exercised in a manner that causes as little disturbance to the Parcel B Owner (and its Permittees) as may be reasonably practicable under the circumstances, and any and all portions of the surface area of any property within the portion of Parcel B which may have been excavated, damaged, or otherwise disturbed in connection with the exercise of such rights shall be restored at the sole cost and expense of the Parcel A Owner to essentially the same condition as the same were in prior to the exercise of such rights (provided that, with respect to any pavement which was affected by the exercise of such rights, patched pavement shall be an acceptable “restoration” herein).

3.1 Parcel B Owner Obligations. The Parcel B Owner shall maintain the Driveway, the Shared Storm Sewer Lines, and the Monument Sign (the “Facilities”) in good order, condition and repair, including the maintenance, repair, and/or replacement of the surface of the Driveway, removing all paper, debris and other refuse, to the extent necessary to maintain the Facilities in a clean, safe, and orderly condition, and in the event of any damage to or destruction of all or any portion of the Facilities, the repair and restoration of the Facilities to the condition existing prior to such damage or destruction.
3.2 Obligations of Parcel A Owner. The Parcel A Owner shall maintain the New Utilities Facilities, the Parcel A Storm Sewer Lines and the Parcel A Sign Panel in good order, condition, and repair, and its sole cost and expense.

4. Indemnity; Insurance.

4.1 Indemnification. Each Owner (the "Indemnifying Owner") shall indemnify and save harmless the other Owner (and its Permittees) (the "Indemnified Owner Parties") from and against any and all liabilities, damages, penalties or judgments, any and all actions, suits, proceedings, claims, demands, assessments, costs and expenses (including reasonable attorneys’ fees and costs) incurred in enforcing this indemnity, arising from injury to person or property sustained by anyone resulting from the negligent, intentional or willful acts of the Indemnifying Owner, except to the extent any such loss arises from the negligent, intentional or willful acts of the Indemnified Owner Parties. The Indemnifying Owner shall, at its own cost and expense, defend any and all suits or actions, just or unjust, which may be brought against the Indemnified Owner Parties or in which the Indemnified Owner Parties may be included with others upon any such above-mentioned matter, claim or claims, except for those arising from the negligent, intentional or willful acts of the Indemnified Owner Parties.

In no event shall any Owner be responsible for any losses, injury, or damages arising from any event or circumstance other than those caused by the negligent, intentional or the willful acts of the Indemnifying Owner.

4.2 Insurance. Throughout the term of this Agreement, each Owner shall procure and maintain, or cause to be procured and maintained, general and/or comprehensive public liability and property damage insurance against claims for personal injury (including contractual liability arising under the indemnity contained in Section 4.1 below), death, or property damage occurring upon Parcel B, with single limit coverage of not less than an aggregate of $3,000,000, and naming each other Owner as additional insureds. In addition, any Owner may satisfy this insurance requirement by (i) providing proof of coverage from a general comprehensive policy with coverage of $2,000,000 and from an umbrella/excess liability policy with $1,000,000 of coverage, or (ii) providing evidence that (1) any Permittees of such Owner’s Parcel maintains such required insurance or (2) that any Permittee has elected to self-insure and/or to carry the insurance required hereunder under master or blanket policies of insurance.

5. Subdivision of Parcel B. The parties acknowledge that, in connection with the Parcel B Owner’s intended development of Parcel B, the Parcel B Owner may subdivide Parcel B into separate Parcels. In such event, each of such separate Parcels shall have the benefits of and be burdened by the terms and conditions of this Agreement to the extent, such terms and conditions are applicable to such Parcel. The owner of each such subdivided Parcel shall become an “Owner” for
purposes of this Agreement and shall have the same rights and obligations of the Parcel B Owner hereunder with respect to such Owner's subdivided Parcel of Parcel B, provided, however, each Owner of a subdivided Parcel of Parcel B shall be responsible for its Proportionate Share of the costs and expenses required to be borne by the Parcel B Owner under this Agreement, including without limitation the costs and expenses of maintenance of the Facilities in accordance with Section 3 of this Agreement. For purposes of this Section 5, "Proportionate Share" shall mean a fraction the numerator of which is the total square footage of all buildings located on such Owner's Parcel, and the denominator of which is the total square footage of all buildings located on Parcel B.

Notwithstanding the foregoing, the Owner(s) of Parcel B shall have the right to designate a third party manager for purposes of performing the obligations of the Parcel B Owner under this Agreement with respect to the maintenance of the Facilities, provided that in no event shall any Owner herein be released from its obligations notwithstanding any such designation.

6. No Rights in Public; No Implied Easements. Nothing contained herein shall be construed as creating any rights in the general public or as dedicating for public use any portion of Parcel A or Parcel B. No easements, except those expressly set forth in Section 2, shall be implied by this Agreement.

7. Remedies and Enforcement.

7.1 All Legal and Equitable Remedies Available. In the event of a breach or threatened breach by any Owner or its Permittees of any of the terms, covenants, restrictions or conditions hereof which is not cured within thirty (30) days following written notice thereof by an Owner (unless, with respect to any such breach the nature of which cannot reasonably be cured within such 30-day period, the defaulting Owner commences such cure within such 30-day period and thereafter diligently prosecutes such cure to completion), the other Owner(s) shall be entitled forthwith to full and adequate relief by injunction and/or all such other available legal and equitable remedies from the consequences of such breach, the payment of any amounts due and/or specific performance.

7.2 Self-Help. In addition to all other remedies available at law or in equity, upon the failure of a defaulting Owner to cure a breach of this Agreement as required under Section 7.1 above, any Owner shall have the right to perform such obligation contained in this Agreement on behalf of such defaulting Owner and be reimbursed by such defaulting Owner upon demand for the reasonable costs thereof together with interest at the prime rate charged from time to time by KeyBank National Association (its successors or assigns), plus two percent (2%) (not to exceed the maximum rate of interest allowed by law).
7.3 Remedies Cumulative. The remedies specified herein shall be cumulative and in addition to all other remedies permitted at law or in equity.

7.4 No Termination For Breach. No breach hereunder shall entitle any Owner to cancel, rescind, or otherwise terminate this Agreement. No breach hereunder shall defeat or render invalid the lien of any mortgage or deed of trust upon any Parcel made in good faith for value. Any mortgagee of any Parcel shall have the right, within the time period set forth above, after receipt of notice thereof, to cure any default of any Owner.

8. Term. The easements, covenants, conditions and restrictions contained in this Agreement shall be effective commencing on the date of recordation of this Agreement in the office of the Kitsap County Recorder and shall remain in full force and effect thereafter in perpetuity, unless this Agreement is modified, amended, canceled or terminated by the written consent of all then record Owners of Parcel A and Parcel B in accordance with Section 10.2 hereof.

9. Eminent Domain. In the event that the whole or any portion of the Facilities shall be taken by right of eminent domain, the entire award for the value of the land and improvements so taken shall belong to the Parcel B Owner (and/or its mortgagees and/or Permittees, as their interests may appear) except to the extent any portion of the award is attributable to the rights granted to the Parcel A Owner. Any Owner of any other Parcel which is not the subject of such taking may file a collateral claim with the condemning authority to the extent of any damage suffered by such other Owner (e.g., loss of easement rights). In the event of any partial taking, the Parcel B Owner shall restore and/or relocate the Facilities, as nearly as possible to the condition existing prior to such taking, without any obligation to expend any sum in excess of the net award (after payment of all costs) received as a result of such taking.

10. Miscellaneous.

10.1 Attorneys' Fees. In the event a party institutes any legal action or proceeding for the enforcement of any right or obligation herein contained, the prevailing party after a final adjudication shall be entitled to recover its costs and reasonable attorneys' fees incurred in the preparation and prosecution of such action or proceeding.

10.2 Amendment. The parties agree that, except as otherwise expressly set forth in this Agreement, the provisions of this Agreement may be modified or amended, in whole or in part, or terminated, only by the written consent of all record Owners of Parcel A and Parcel B, evidenced by a document that has been fully executed and acknowledged by all such record Owners and recorded in the official records of the County Recorder of Kitsap County, Washington.
10.3 Consents. Wherever in this Agreement the consent or approval of an Owner is required, unless otherwise expressly provided herein, such consent or approval shall not be unreasonably withheld or delayed. Any request for consent or approval shall: (a) be in writing; (b) specify the section hereof which requires that such notice be given or that such consent or approval be obtained; and (c) be accompanied by such background data as is reasonably necessary to make an informed decision thereon. If a response to such request is not received within thirty (30) days after delivery thereof to any Owner (or such other time period as may be expressly set forth in this Agreement), then the Owner submitting such request may deliver a second written notice requesting such approval, which second notice shall include a copy of the first notice and shall contain a notice in bold typed face in all capital letters providing as follows: “WARNING: YOUR RESPONSE TO THE ENCLOSED REQUEST IS REQUIRED WITHIN THIRTY (30) DAYS AFTER THE DATE OF THIS REQUEST, AND IF SUCH RESPONSE IS NOT RECEIVED WITHIN SUCH THIRTY (30) DAY PERIOD, YOUR CONSENT TO THE MATTERS SET FORTH BELOW SHALL BE DEEMED GIVEN”. and agree to and with the other party, to keep, observe, comply with, and
perform the obligations and agreements set forth herein with respect to the
property so acquired by such grantee.

10.12 **Estoppel Certificates.** Each Owner, within thirty (30) day of its receipt of a written request from the other Owner(s), shall from time to time provide the requesting Owner, a certificate binding upon such Owner stating: (a) to the best of such Owner's knowledge, whether any party to this Agreement is in default or violation of this Agreement and if so identifying such default or violation; (b) that this Agreement is in full force and effect and identifying any amendments to the Agreement as of the date of such certificate; and (c) such other reasonable matters as may be requested with respect to this Agreement.

10.13 **Bankruptcy.** In the event of any bankruptcy affecting any Owner or occupant of any Parcel, the parties agree that this Agreement shall, to the maximum extent permitted by law, be considered an agreement that runs with the land and that is not rejectable, in whole or in part, by the bankrupt person or entity.

10.14 **Counterparts.** This Agreement may be executed in counterparts, each of which shall be an original, but all of which when taken together shall constitute one and the same instrument.

10.15 **Excusable Delays.** Whenever performance is required of any party hereunder, such party shall use commercially reasonable and good faith efforts faith to perform; provided, however, that if completion of performance shall be delayed at any time by reason of acts of God, adverse or inclement weather, war, civil commotion, riots, strikes, picketing or other labor disputes, unavailability of labor or materials, damage to work in progress by reason of fire or other casualty, or any cause beyond the reasonable control of such party, then the time for performance as herein specified shall be appropriately extended by the amount of the delay actually so caused. The provisions of this section shall not operate to execute any party from the prompt payment of any monies required by this Agreement.

10.16 **Limitation of Liability.** In no event shall any Owner (including the officers, directors, shareholders, members, partners, or agents thereof) have any personal liability with respect to any of the terms, covenants, conditions or provisions of this Agreement. In the event of any default by any Owner, any non-defaulting Owner shall look solely to the interest of such defaulting Owner in the defaulting Owner's Parcel for the satisfaction of each and every remedy of the non-defaulting Owner, provided that the foregoing shall not limit or prejudice the right of any non-defaulting Owner to pursue equitable relief and/or to recover from another Owner all sums required as a result of such Owner's self-insurance of its insurance obligations under Section 4.2 above. In addition, such person shall be bound by this Agreement only during the period such person is the fee or leasehold owner of such Parcel or portion of the Parcel; and, upon conveyance or transfer of the fee or leasehold interest shall be released from liability hereunder, except as to the obligations, liabilities or responsibilities that accrue prior to such conveyance or transfer.
10.17 **Governing Law.** The terms and conditions of this Agreement shall be subject to, and determined in accordance with, the laws of the State of Washington.

10.18 **Assignment.** Upon any conveyance by any Owner of its Parcel (or any portion thereof), this Agreement shall be deemed automatically assigned to, and assumed by, the successor Owner of such Parcel (or a portion thereof). Each Owner shall have the right to transfer or convey its Parcel (or any portion thereof) without the prior consent of any other Owner, but upon any such transfer or conveyance, such Owner shall record an amendment to this Agreement reflecting such transfer or conveyance.

11. **ProBuild Joinder.** ProBuild Company LLC, a Delaware limited liability company and successor-in-interest to Lumbermen’s of Washington, Inc., as licensee under the Existing License Agreement and a Permittee of Parcel A, joins, executes, and delivers this Agreement for the sole purpose of acknowledging its consent thereto and releasing and terminating all of its right, title, and interest in and to each of (i) the Existing Parcel A Rights and (ii) the rights which it presently may have with respect to Parcel B as set forth in the Existing License Agreement, which release and termination shall be effective as of the effective date of release and termination of such rights (and/or of any of such rights) by the Parcel A Owner as set forth in Section 2.8 above. Within ten (10) days after request therefor by the Parcel B Owner, ProBuild shall execute, acknowledge and deliver any and all additional agreements or instruments as may be reasonably requested by the Parcel B Owner to evidence such release and termination. In exchange for such release and termination, so long as ProBuild continues to be a Permittee of Parcel A, each of the Owners agree and acknowledge that (a) any consent, approval, acknowledgment, or confirmation required of the Parcel A Owner under this Agreement shall also be required of ProBuild, and (b) the rights of the Parcel A Owner under this Agreement shall not be amended or modified without the prior written consent of ProBuild, which may be withheld in ProBuild’s sole discretion, and which consent shall be subject to the same terms and conditions as set forth in this Agreement which are applicable to the grant of such consent by the Parcel A Owner (including without limitation Section 10.3 above). At such time that ProBuild is no longer a Permittee of Parcel A, ProBuild shall, at the request of either Owner, execute, deliver, and record an acknowledgement and confirmation that ProBuild is no longer a Permittee of Parcel A.
