**RE: Seaside at Kingston, Site Development Activity Permit (SDAP) 18-02605A1
Separating the SDAP into six different phases for the purpose of being able
to record a separate final plat for each phase.**

Dear Eric Clark:

We reviewed and accept the phasing of the project to record separate final plats modifications to the above referenced plans date stamped received 09/28/2020. These revisions are necessary for phasing.

A. The following items shall be submitted to Development Services and Engineering:

- The complete Accepted Plans set shall consist of:
 - Sheet C3 Civil Plan depicting Phasing Plan, Stamped Approved 11/17/2020. Please print (24"x36") and submit to the DCD Office.

All conditions of acceptance from our letter dated **April 2, 2019** shall remain in effect for final close out and release of financial securities.

B. The following additional conditions apply. Development Services and Engineering will schedule the final inspection once all conditions of the Site Development Activity Permit, and any Addendums thereto, have been completed.

See this link to a video showing how to access your Accepted Plans for printing.
[Locating Approved Permit Documents & Plans.](#)

If we can be of further assistance, please contact **Robert E. Hankins, P.E.** at rhankins@co.kitsap.wa.us Monday through Thursday 8:00 a.m. to 4:30 p.m.

Sincerely,

11/17/2020

Robert E. Hankins, P.E.
