Contractor Contact Information

Are you currently or will you be working with a contractor for your project?
Yes

Have you determined what contractor you are using for this project?
No

Please Note: before issuing your permit, you are required to notify us of your chosen licensed contractor's Business Name and License Number so this information can be added to the permit record. All contractors must be licensed and verified per [RCW 18.27.110](#)

Do you have additional contacts you would like to add to your project, such as Contractors, Architects, Engineers, etc.?
No

Once complete, please click “create PDF of Complete Questionnaire” and you will be sent an email copy for your records. After creating your PDF, make sure you have all the required submittal items listed before starting your online permit.

Please note: We cannot review your permit until all the required items on the submittal list are uploaded.
